-Carol- (Jim)

Well it must to be nice to be a big "senior", and here I am a "little junior". Well at least I won't be called an "underclassman" anymore.

Last year flew by so fast, and I must say I had loads and loads of fun, espicially in gym class. I can remember danking around the gym so gracfully, and doing all those hop, skip and jump dances. Thank heaven you had those notes or I probably wouldn't have made it through gym without them. I sure wish we would have had more classes together, but that's life I guess. This year we have Study Hall together but the way Mr. Raddatz talks it doesn't look like I'll be able to talk to you very much. I sure wish we had lunch together so we could stick to our "diet" (ha! ha!) together.

Thanks a million for letting me wear your pink dress that night when I was worried that I wouldn't have anything to wear. I sure got a lot of compliments on it.

I often wonder if we'll ever make

it to Rockford. I think maybe all of our wonderful plans will fall through.

You sure got a nice schedule this year. I didn't do too bad, I guess.

I'll never forget ~~the~~ all the fun We had with you, and then there were all the good times that Jerry, Norm, me and you had. I'll always remember them.

I hope someday that I'll be your "wonderful sister-in-law" (remember you and Jerry are sister and brother)

I hope that May 7, 1966 I'll see you at my ☺. If it's a big one maybe I'll find a nice spot for you. I can only hope the same for you.

I do hope that when Jerry and I visit you, your third-finger-left-hand won't be vacant. (I hope your name won't be Carol "Stearns" anymore, too.

I can only wish you the best of luck in the future in everything you do. Always stay as cute and sweet as you are now! (and hang on to that guy of yours!)

P.S. I hope I didn't write Best of Luck L.T.L. (M.S.K.) Always, "Sharon" '62

Carol's Wedding!!!

Carolyn,

Boy! This year has seemed so short, but it's been a year with many ups and downs. Remember that one night we all rode around and went down to Hinckley? Then when we all went riding around after the soft ball games, what a ball.

Well, we didn't start out being very good friends, but I think things have worked out pretty well now.

Gee Carolyn, I don't know where the time goes. It seems like just yesterday when we first came to this school and now we're already to leave.

I guess there isn't to awfully much more to say except I hope you enjoy wearing my ring (Ha Ha).

The very best of luck in everything you do are my wishes.

Love
Bonnie

To the Graduating Class of 1960:

Four years have passed since you entered the DeKalb High School. We hope they have been happy, profitable years. The diplomas you receive will indicate that you have passed the requirements for graduation. It will not, however, indicate what you plan to do with your life. You will be the determiner of that. We hope that your high school education has indicated some of your strengths and interests, and has developed in you an inquiring mind and a sense of purpose to guide you.

May the Almighty Father of us all guide you in the days ahead.

Marion S. Boyd

To the Senior Class of 1960:

June 8, 1960, will always remain in your minds as one of the most significant days in your lives. It marks the end of what I am sure have been four most enjoyable and profitable years.

I sincerely hope that you have taken full advantage of the opportunities offered you as a student in the DeKalb High School. Your ability and your willingness to work conscientiously and diligently will determine in a large measure whether your dreams of today will or will not become the realities of tomorrow.

Secretaries

By recording grades and attendance, making transcripts, doing bookkeeping and keeping activity accounts, and handling telephone messages, the secretaries played a big role this year in helping to run our school.

Janitors

The responsibility of keeping the school and campus clean throughout the year was in the hands of the janitors. They also parked cars during football games and did minor repair jobs.

Cafeteria Staff

The cafeteria staff has done an admirable job of feeding the student body during the two lunch hours. These students give up part of their own lunch time to act as cashiers or to serve food in the cafeteria. Under the capable guidance of our cooks, they have given the student body and faculty meals of outstanding quality.

COOKS: Mrs. Oldham, Mrs. Wald

This year has been an especially memorable one for those of us who are seniors. I am honored that you elected me as your student body president and I hope that together with the Student Council we have achieved high student morale and helped to create a better DeKalb High School.

Among the appearances made by this group were programs for various civic and church organizations of the community, the N.C.I.C. Music Festival, a P.T.A. program, an out-of-town assembly program, and the Spring Concert.

This is the DHS basketball team that, for only the second time in history, put DeKalb on the basketball map by giving us a place in the "Sweet Sixteen."

"Island Beyond

On April 30, 1960, following months of preparations, the Class of 1961 presented their Junior-Senior Prom, "Island Beyond the Sun." The South Seas theme was carried out by the decorations, which included an archway symbolizing the Sun, a waterfall, and seascapes on the walls. The members of the sophomore class who helped in receiving guests, distributing programs, and serving punch were dressed as Hawaiian girls and beachcombers, lending a touch of atmosphere to the occasion. The entire production, supervised by Miss Garber and Mr. Stark, was one of the finest seen here in recent years, and will remain a pleasant memory for many years to come.

Dramatists presented Moss Hart's LIGHT UP THE SKY for the 1960 spring play. The director, Mr. William Lucas, chose an all senior cast for the three-act comedy.

The play involved the star, producer, director, and writer of a new broadway play. Each player suited his part perfectly, and the tempo was smooth. Ripples of laughter were heard throughout the auditorium during the play, and enthusiastic applause followed the final curtain. It was a very successful production.

Carol-

Well here we are "big seniors." It doesn't seem possible. This time next year I will be very happy, ~~two~~ more school.

This one has been some summer. Kind of wild, but so much fun. All our slumber parties. Especially the one over to Vonda's! That was a ball! We certainly had some good times. Remember that night with Tom & Bob? That was a night to remember. HA HA I also remember the good & bad times with Bob. Who could forget them. I'm sure I couldn't. Maybe next summer I will have a little good luck with that Boned.

I'm so glad we have a few class together. Especially P.E. & with Frankie we should have a panic.

I wish you the best of luck with Jim. My feeling about him have changed. From the way you talk he must be a swell guy.

This summer started out very good but it didn't end too well. All I can say Carol, is that I'm sorry. I really mean it. Things will be different now. I hope. Stay as sweet as you are & I hope we will always be good friends

As always

Carol,

I don't know if the writing of a <u>back-woodsy farmer</u> is going to look very good next to Sandie's.

Well I think first of all we should have a moment of silence for everyone that passed Mr. Roddaty's American History.

We've had a lot of fun bombin' around in my hot rod Chevy and your big buggy. It hasn't all been a bed of roses but I hope will always remember the good times <u>though</u>. I hope <u>though</u> that you'll always know that I didn't want it to happen the way it did. That's all behind us <u>though</u> and we've got a long lifetime ahead of us to correct our mistakes. I wish you all the luck in the future. I don't know anyone who deserves a break anymore than you. Maybe we'll both get one.

Love
"Frankie"

P.S. Don't forget our first love "Judy & Shabbona and all."
